Subject: Soliciting Comments on the Proposed Termination of the Daily Hydrologic Summary (RVA) through June 4, 2023

The NWS is soliciting comments through June 4, 2023 on the proposed termination of the daily Hydrologic Summary (RVA).

The RVA includes a table containing hydrologic data. This product is issued once per day.

More frequently updated hydrologic observations in tabular, XML, and RSS formats are available via the Advanced Hydrologic Product Service (AHPS) website at water.weather.gov. The NWS Integrated Dissemination Program (IDP) is also providing web services of AHPS information at https://idpgis.ncep.noaa.gov/arcgis/rest/services/NWS_Observations/ahps_riv_gauges/MapServer.
